

## Osamu Tochiyama

**Born July 17, 1944, Kyoto, Japan**

- Field** Solution chemistry of actinides, Nuclear fuel reprocessing, Nuclear waste management
- Work History**
- **1971-1996**, Instructor at Tohoku University, Faculty of Engineering, Department of Nuclear Engineering
  - **1997-2002**, Associate professor at Tohoku University, Faculty of Engineering, Department of Nuclear Engineering
  - **2003**, Professor at Tohoku University, School of Engineering, Department of Quantum Science and Energy Engineering
  - **2004-2007**, Professor at Tohoku University, Institute of Multidisciplinary Research for Advanced Materials School of Engineering, Department of Quantum Science and Energy Engineering
  - **2008-2014**, Director of Radioactive Waste Disposal Safety Research Center, Nuclear Safety Research Association
  - **2015-present**, Technical Advisor at Nuclear Safety Research Association
- Education**
- **1967**, Graduate in Department of Chemistry, Faculty of Science, Kyoto University
  - **1969**, Master of Science, Kyoto University
  - **1974**, Doctor of Science (Analytical Chemistry), Kyoto University (Thesis: Solvent Extraction of Cesium Ion with Some Phenol Derivatives)
- Activity**
- **2001-2010**, Member of Special Committee on Radioactive Waste and Decommissioning (Subcommittee of Nuclear Safety Commission (former Nuclear Regulatory Authority) of Japan).
  - **2001-present**, Member of Radioactive Waste Working Group and Geological Disposal Working Group (subcommittee of Advisory Committee for Natural Resource and Energy).
